**PROBABLE CAUSE BELIEF IS BASED UPON THE FOLLOWING FACTS AND CIRCUMSTANCES:**

*Social security numbers and financial information (e.g. PINs) should not be listed. If the identity of an account number must be established, list only the last four digits. 204 Pa.Code §§ 213.1 - 213.7.*

On 07/20/16, your Affiant responded to the Emergency Room at Evangelical Community Hospital for the report of a Home Invasion (Burglary), Kidnapping and Sexual Assault of a 29 year old female. The VICTIM related that this incident occurred at her residence; 70 Schreck Road, Milton, Turbot Township, Northumberland County, PA. She reported that on 07/20/16, at approximately 0145-0150 hours, she was awoken by her barking dogs. She looked through her house to see what they were barking at and returned to her bedroom to go back to sleep after not seeing anything out of the ordinary. Approximately twenty minutes later, the dogs began barking again and she walked through her house to investigate a second time. Upon returning to her bedroom, she was confronted by an unknown male Actor who exited another bedroom in the hallway. The VICTIM describes a struggle between her and the Actor in which the Actor is able to restrain her and zip-tie her hands behind her back. Additionally, the Actor places a cloth gag into the VICTIM'S mouth and a cloth blindfold over her eyes. She is then assaulted again and choked, causing her to lose consciousness.

As the VICTIM regains consciousness, she reported that she was being drug by her feet to the Actor's vehicle. She was then loaded into his vehicle and driven away from her residence. She estimated that they traveled in the vehicle for approximately 45 minutes. The VICTIM states that the vehicle traveled onto a gravel roadway, or long gravel driveway, prior to coming to a stop. She then was removed from the vehicle and led into an unknown structure where she was raped by the Actor. After the rape, the VICTIM was cleaned up by the Actor and returned to a cornfield within 7/10 mile from her residence. The VICTIM'S zip-ties, blindfold and gag were removed as she was instructed to enter the cornfield and told to not turn around. The Actor fled the scene and remains unknown. After standing in the cornfield for approximately 15 minutes, the VICTIM exited the cornfield and walked to a nearby residence where police and 911/EMS were summoned.

Based off of the assessment of the incident, it is believed that the Actor was very familiar with the VICTIM and the VICTIM was not randomly targeted. The VICTIM'S residence was also not randomly targeted. The VICTIM lives in a very small rural development outside the borough of Milton, PA and the whereabouts are likely unknown by most. Furthermore, it is believed that the Actor knew that the VICTIM'S husband was not home at the time of the entry into the residence. It is also believed that the Actor may have spent some time stalking the VICTIM and her husband's schedule as well as their whereabouts. Most sexual offenders of this magnitude are predominately fantasy driven, which could have occurred over a lengthy period of time. The VICTIM moved into the area in July 2015. It is believed that the Actor may have fantasized about the VICTIM, after seeing or becoming aware of her, and it is likely that he followed her back to her address. Furthermore, it is believed that the Actor also researched the VICTIM'S address and/or VICTIM utilizing the internet or search engine similar to the searches provided by Google Inc.

Your Affiant is requesting a search warrant for the information contained in "Attachment A"; to include all historical records that Google Inc. has regarding all identifying information, user/subscriber information and IP addresses associated with the Google Search Parameters. Google Inc. provides a network of services transparently throughout the Commonwealth and is available to all persons located worldwide to include persons in Turbot Township, Northumberland County, PA, where this incident was reported.

The Pennsylvania State Police do hereby request for this Search Warrant to be sealed by the Northumberland County Court of Common Pleas, and that disclosure of the existence of the Search Warrant Application and this Affidavit, to any person, would seriously jeopardize the investigation.

I, THE AFFIANT, BEING DULY SWORN ACCORDING TO LAW, DEPOSE AND SAY THAT THE FACTS SET FORTH IN THE AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION AND BELIEF.
